

CORRIGENDUM

Porter, RF & AS Suleiman. 2016. The Important Bird and Biodiversity Areas of the Socotra archipelago, Yemen. *Sandgrouse* 38(2): 169–191.

The Acknowledgements attribute the Integrated Programme for Conservation and Development of the Socotra archipelago to GEF and UNDP. The correct attribution should be GEF and UNEP (the United Nations Environment Programme).

The OSME region

Lies between Europe, China and the Horn of Africa on two major migration flyways crossing Central Asia's wind-swept steppes, the Caucasus' towering mountains, Arabia's wide arid deserts and the tropical seas of the Indian Ocean.

An awesome place for birds and birdwatchers.

ORNITHOLOGICAL SOCIETY OF THE MIDDLE EAST
THE CAUCASUS AND CENTRAL ASIA

OSME OSME brings together those curious and knowledgeable about the region's birds

Encourages

conservation and research
through a fund
for small-scale projects.

Publishes SANDGROUSE

an internationally respected journal with papers on
the birds of the OSME region written by local and
visiting scientists and enthusiasts.
